

Cucumber salad in Chinese garlic dressing

Liang ban huang gua

Ingredients

4 Indian cucumbers, about 1lb

For the Garlic Dressing

8 clove Garlic, crushed. tbsp Black vinegar

2 tbsp Soy sauce

2 tsp Sugar

2 tsp Sesame oil

1/2 tsp Roasted sesame seeds

Fresh chili or hot chili oil (optional)

Black vinegar, 1 tablespoon

Salt

2 teaspoons of Toban Djan

Preparations

- Cut the cucumbers to 1 x 1 chunks. The chunks would give you a more substantial texture than the slices.
- The cucumber will lose some water and water down your dressing. If you don't like that, you can sprinkle 1/2 tbsp of salt and mix with the cucumber chunks. Let it sit for half an hour and drain out the excess water.
- To make the dressing, combine the crushed garlic and all other ingredients in a small bowl. Mix well. Add the dressing to the cucumber, toss and serve immediately.
